Mr. Henry Campbell

Superintendent's Message

SUCCESS!

HAPPINESS!

GOOD LUCK!

May your experience at Greenon live with you as a pleasant memory.

Principal's Message

As tools become rusty, so does the mind; a garden uncared for soon becomes smothered in weeds; a talent neglected withers and dies.

Experience is the cheapest thing you can buy—if you are smart enough to get it second hand . . .

Although you are graduating from high school, do not let this be the end of your education . . . Continue to improve yourself by learning all you can, by realizing and using your talents, and by learning through the experiences of others as well as your own.

Mrs. Bolinger

These past three years at Greenon have been very enjoyable. Faculty and students alike were always friendly and co-operative. I tried to treat students as I would like to be treated, and I feel the "Golden Rule" worked in the classroom as well as it works anywhere in society.

Fond memories of Greenon will include the "Surprise Party" pictured on this page. Fellow teachers, the next time Mr. Markle informs you of an unscheduled movie on the stage, be cautious when opening the door on arrival. You never know but what you may be "surprised."

PRINCE OF PEACE

Dail Spriggs acquired honors for both herself and our school by gaining Ohio recognition in winning the local, county, and district Prince of Peace contests. This was not a new endeavor for Dail as she won the local contest last year before losing out at the county level. This year, Dail progressed through three contests before being defeated in Columbus at the state semi-finals. Dail won a trip to New York and the United Nations as part reward for her talents.

State Road-E-O Winner

Representing Greenon High School's Driver Education Department, Steve Caywood brought honor to both himself and our school by winning the state Road-E-O contest held in Sharonville this past June. Two hundred and forty-three students took part in this contest and we are quite proud that Steve won, bringing home a huge trophy, a $500 trip to Washington, D. C. for Steve and his family, and a $1000 scholarship to the college of his choice. The Road-E-O is a contest which tests the automotive driving skills, both written and practical. Steve got 479 out of a possible score of 500. Our congratulations to Steve Caywood!

Head Football Coach
MR. HASTINGS

It is, indeed, the distinction of this year's football squad, in view of a less than desirable season, to be congratulated for the courage, determination and high morale that accompanied our efforts . . . for perhaps there is more to be won than mere victories . . . our opponents were forced to respect our bid for victory.

RICK MOORE

The young man in the picture on the left was the Knight's sole representative on the All-Mad River Valley League team. Richard Moore was the unanimous choice of all the county coaches for the end position on the mythical team. Other members of the team named to the honorable mention ranks were:

Steve Caywood

With three relatively inexperienced seniors, no lettermen, and a group of determined underclassmen the squad presented us with an enjoyable and interesting season. We will miss Max Holly, Ron Benson and Roger Allison and hope that their presence this year will be an incentive to the other players for even bigger and better seasons in the future. The success of the 1958-59 season, obviously, cannot be measured in wins or losses. In spite of this we should not lose sight of the fact that sometimes, as much, or more, opportunity for learning experiences can be had. Good-Luck to the Seniors.
